PRESIDENT: Oh, Senator Withem, okay.

CLERK: Mr. President, 263 by Senators Withem and Beyer. It is on page 964. (Read LR 263.)

PRESIDENT: The Chair recognizes Senator Withem.

SENATOR WITHEM: Mr. Speaker and members of the body, I am pleased to share the honor with Senator Beyer of carrying this resolution. He and I have this duty due to the fact that the President of the State Association of County Extension Boards lives within Sarpy County. His farm is practically on the borderline between our two districts so we share the honor of bringing this resolution to you. It is really quite self-explanatory. Governor Kerrey has proclaimed this week to be County Extension Week. Many of you received an invitation...all of you received an invitation to attend a function this week sponsored by the County Extension Service. This resolution puts the Legislature on record of commending the fine work of the County Extension Service in the state. It serves agriculture. It serves the youth of the state. It serves many of us in the urban areas of the state. We feel that they have done an outstanding job and I would ask you to join me in supporting this resolution. Thank you very much.
